

Attachment 2

American Transmission Company

Enforcement Record

American Transmission Company LLC and its corporate manager, American Transmission Company Management Inc, collectively referred to as American Transmission Company (ATC) started operation on January 1, 2001 as the first electric transmission company in the country. It has 28 contributors, with We Energies the only member currently holding ownership interest greater than 25%.

No environmental citation, Department of Justice enforcement, civil judgment or judgment of criminal violation has been issued to ATC or any owner with a 25% or greater ownership stake in ATC for the covered facilities, described in Attachment 1.
